

# School Heads Defend Status Of Allen Bill

Laurance J. Hill, superintendent of the Campbell Union High School District; with D. A. Sedgwick, superintendent of Cupertino High School District, and Lawrence C. Curtis, superintendent of Jefferson Union School District, presented a letter on behalf of all the county school districts concerning continuation of AB-1 to the Assembly.

Education subcommittee which met last Wednesday in Sacramento.

The letter pointed out the problem of annexations in Santa Clara County and in other parts of the State which has concerned school people and municipal governments for the past few years. Because of AB 1 these annexations have been consummated without the opposition of the rural school districts. The letter contends that AB 1 has proved advantageous in stabilizing the financial base of the school district. City Councils at the time an annexation is initiated have the option of using the AB 1 provisions by taking new land for municipal purposes only, or for both school and municipal purposes. The County superintendents say school problems and municipal problems, although having many factors in common, are essentially separate and distinct, and that the major fault found in AB 1 in some areas has been that it places the entire determination of school boundaries in the hands of non-school people. They feel AB 1 should be continued as a permanent law with certain modifications which would give them an even better financial program because:

1. It would stabilize to a greater degree the financial program of the school districts and would probably insure a greater repayment to the State of State Building Loans.

2. It would allow for better long term planning.
3. Through the provisions of AB 1 and other provisions of the Education Code, it is possible to alter school district boundaries setting up logical attendance areas.

In conclusion the letter stated the annexation problem is one which requires separate legislation and serious study by our State Legislature, but, as representatives of school districts they felt some measure of relief should be given to school districts to maintain their educational program and the financial ability to adequately provide for this program. They feel AB 1 has provided much of that type of relief during the past two years.

The letter was signed by the following District Superintendents: William C. Henley, Campbell Union School District; Lawrence C. Curtis, Jefferson Union School District; D. A. Sedgwick, Cupertino Union School District; D. M. Bagby, Cambrian School District; Kenneth A. McDonnell, Union School District; Kenneth N. Slater, Mt. View School District; G. A. Tindall, Whisman School District; Otto J. Peterson, Mt. Pleasant School District; Leonard Herman, Oak Grove School District; Stephen W. Saunders, Almaden Union School District; Gussie M. Baker, Moreland School District; A. O. Saxe, Orchard School District; Ralph O. Salmon, Luther Burbank School District.

An alternate bill was proposed at the Wednesday hearing by the California Association of School Administrators in which decisions on school boundaries in any proposed annexations would be made by the county committee on school district organization, most of whom are educators. At the present time this committee can propose lines of boundaries but has no authority to make the final decisions. This alternate bill, known as the CASA plan, is backed by the San Jose Unified School District and Fresno city schools.

A strong plea for renewal of the AB 1 bill was made by San Jose City Planning Director Michael Antonacci, who supported the statements in the letter presented by the fourteen District Superintendents of rural school districts. Also backing the Allen bill one hundred percent is the California League of Cities.

A measure extending AB 1 was introduced in the legislature Tuesday by Assemblyman Bruce Allen, enabling cities to annex without disturbing school districts. Another bill placing a two year extension limit on the bill was offered by Senator Jack Thompson.

## NEW SERVICE ANNOUNCED

Del Lucot today announced that he will open "The Commercial Center," a telephone answering service, at 20 E. Campbell Ave. Mr. Lucot stated that the number of lines will be limited, but that he would take as many clients as possible. This new service will be the only one of its kind in Campbell, and Lucot thinks that it should be of interest to many of the local businessmen who are now closing their doors during the day to go on service calls, and are not able to answer their phones.

## Police Officer Wins In Race With The Stork

Police Officer Jerry O'Connell had an exciting time early Tuesday morning racing the stork to the San Jose Hospital.

Officer O'Connell reports he was cruising along the San Jose-Los Gatos highway at 12:50 a. m. just minding his own business when he was flagged to a stop in front of Court's Tavern by Charles Hudson who lives at 249 1/2 W. Main Street in Los Gatos.

Hudson excitedly told the officer he was trying to get his wife, who was expecting the stork any minute, to the hospital where a doctor was standing by when a tire blew out on the family car. O'Connell took over speedily transferring the mother-to-be into his police car along with the excited husband and hastily set out for the hospital which was reached in time for the blessed event.

## Explorer Crew Camps In Snow

The Explorer Crew of Troop 28, Campbell Boy Scouts, held a three day snow camp last week at Dodge Ridge, near Pinecrest. Campsite was just above Cow Creek where arctic tents were set up, skiing and tobogganing enjoyed. The crew was well equipped for camping under adverse conditions. Participating were Gary Almada, Gene Andres, Don Brown, Larry Helfter, Jerry Henley, Art Hill, Tim Sullivan, Roger Merrill and Advisor Ken Robison.

## ENJOY POTLUCK DINNER

The parents of Explorer Crew 28, sponsored by the Campbell Kiwanis enjoyed a holiday pot-luck dinner at the home of Mr. and Mrs. E. C. Andres on Flamingo Drive. Those present were Mr. and Mrs. L. J. Hill, Mr. and Mrs. L. M. Dodd, Mr. and Mrs. Wm. C. Henley, Mr. and Mrs. F. J. Helfter, Mr. and Mrs. E. A. Merrill, Mr. and Mrs. L. W. Brown and Mr. Ken Robison, Mr. and Mrs. E. C. Andres, and Mr. and Mrs. John Duncan.

Explorers present were: Gene Andres, Don Brown, John Duncan, Larry Helfter, Jerry Henley, Art Hill, Tim Sullivan, Doug Dodd and Roger Merrill.

## LOMA PRIETA TRIP

The Annual Explorer Pilgrimage on New Year's Day to Loma Prieta was held by the Santa Clara County Council, Boy Scouts of America on last Saturday.

This was the 25th anniversary of this program which has been held on top of Loma Prieta, rain or shine.

The program consisting of renewal of the Scout Oath and a re-dedication to a new year of service to others was attended by Gene Andres, Larry Helfter, Jerry Henley and Ken Robison from the Campbell area and others from the entire County.

## Los Gatos Seeks Special Census

The Los Gatos Town Council has asked for a special census to increase the town's official population figure of 4907 to an expected 6000 or more. Arrangement for the count is to be made with the United States Census Bureau. On the basis of the new census it is expected that in lieu license taxes and gas tax money allocated from the state will be increased proportionately.

## Planners From Los Gatos And County To Meet

A joint meeting of the Planning Commissions of the County of Santa Clara and the Town of Los Gatos is scheduled for next Monday evening in the Planning Commission Hearing Room at First and Rosa Street in San Jose, according to Karl Belsler, director of planning for Santa Clara County. Subject of the conference will be "The north Los Gatos area—its Planning Problems and its Future Development."

The Irati State Railways operate more than 1200 miles of track.

## Junior Morgan On Camden High Faculty

When Camden High School opens next Fall, Dean Chamberlin is to be principal, Phil Maxfield is to be dean of boys, Mrs. Ruth Owens is to be dean of girls, and Junior Morgan and Charles Crampton will be physical education instructors. That was the announcement today by Laurance J. Hill, Superintendent of the Campbell Union High School District.

Mrs. Owens is the present dean of girls for Campbell High School and Junior Morgan is coach of the Campbell Bucs basketball team, a former star in football and basketball at San Jose State College. No other faculty appointments for Camden High School have been made, Hill stated.

## BURGLARS BUSY IN CAMPBELL OVER WEEKEND

John Hopkins of 15785 El Gato Lane, Los Gatos, reported to the Police at 11:30 p. m. Monday night that his 1949 Pontiac two door sedan had been stolen from in front of a home he was visiting at 719 E. Campbell Avenue. The car had been left unlocked with the key in the ignition.

Hopkins told Police someone had driven the car to the San Jose-Los Gatos highway and then turned south toward Los Gatos, but that he did not see the thief. He described the stolen car as being dark blue over light grey.

Robert Harris of 400 Hawthorne, also reported to the Police Monday that some person or persons had taken the battery out of his Chevrolet which had been parked in front of his home. The theft occurred sometime between New Year's Eve and Sunday afternoon.

## POLICE RECOVER STOLEN CAR

Police recovered an abandoned stolen car last Sunday evening in back of the Hamilton School. The car, a 1951 light grey Chevrolet, owned by J. Rodriguez of 956 Felipe, San Jose, had been driven through the Hunt Cannery lot early Saturday evening, made a semi-circle into the orchard south of the school and then struck a tree. The occupant had escaped, leaving the lights burning. A neighbor who noticed the lights burning on the car next morning reported the incident to the police.

A car driven by Charles Carlino, 35, of 1597 Hollisdale, skidded into the orchard at the corner of Hamilton and Winchester at 2:30 a. m. New Year's Day. Carlino had turned off Hamilton onto Winchester going south when the car skidded into a circle turn on the road and then rolled onto the left side into the orchard. He was not injured.

## 'ANGEL' OF 1906 S. F. EARTHQUAKE PASSES AWAY; MOTHER OF LOCAL MAN

Word has been received here of the death in Chicago of Mrs. Mary Baldwin Kennedy, a former resident of San Francisco for twenty-five years and mother of A. B. Kennedy of 450 Jewell Drive, Campbell.

Mrs. Kennedy was the widow of Brigadier General James M. Kennedy, who as chief surgeon at Letterman General Hospital, threw open the doors of the hospital at the time of the 1906 earthquake and fire and led his staff in administering to the victims of the disaster. She was known to countless San Franciscans at that time as the "angel" when she helped nurse the ill and injured and was credited with saving many lives by organizing the transfer of many of the refugees to places of safety at the Presidio.

Mrs. Kennedy was a frequent visitor in Campbell at the home of her son Archibald and well known throughout the west for her travels with her late husband on his many tours of duty. In the early days, before the advent of the automobile, she traveled extensively by stage coach. In recent years she had made her home with a son Laurence Kennedy of San Francisco, but had gone to Chicago a short time ago to be with

Touching Campbell Boundary Line

## CITY TO PROTEST SAN JOSE ANNEXATION MAYWOOD TRACT

### MOTHERS' GROUP BACKS CAMBRIAN SCHOOL VOTING

Room mothers of the Home and School Club at Cambrian School are about to start on a last minute drive to have everyone registered for voting by January 15, the deadline for eligibility to vote at the March 10 election on the tax ceiling proposition. Mrs. Lee Critchlow is head of the citizenship club for education, backing the campaign.

The election seeks to increase tax limit to \$1.50 from the present 90c which was set in 1927 so as to provide for operational and maintenance work at the new Steindorf school and for two proposed new schools. The same election held on November 30 failed to carry by three votes, however if the March 10 election carries funds will then still be available for July 1, 1955 and February, 1956.

In the meantime, Delos Bagby, school superintendent says that two thirds of the students at Cambrian school are today on double sessions and the district desperately needs the tax increase to provide them with normal facilities.

### MARCH OF DIMES DRIVE OPENS IN CAMPBELL TODAY

With an appeal for contributions of "a penny a day for '55" from every resident Campbell March of Dimes Chairman Larry Hill has announced the opening of the 1955 polio drive today.

The biggest polio fighting campaign in the history of Santa Clara County will get underway with the mammoth cooperative efforts of several thousand volunteers.

Mailing of 130,000 letters, distribution of 3,500 "test tube" coin collectors, placement of March of Dimes coin boards throughout the county and raising of the polio "thermometer" sign on Roos Bros. building in San Jose will be part of the tremendous stir of activity marking opening day preparations.

Emphasizing his plea for contributions from everyone in the area, Chairman Hill stressed again the March of Dimes need. "Please give, and give generously. Your contribution of \$3.65 (just a penny a day this year) will give life and hope to those who have been sentenced by polio."

The month-long drive, which will be climaxed on February 1 by the traditional Mothers March, has a goal of \$150,000, largest ever sought in this county. Campbell's share of the quota has been set at \$4500, according to Hill.

The March of Dimes faces a challenge six times greater today than it did in 1938 when the organization was founded, announced the chairman.

The polio attack rate in Santa Clara County in the year just concluded was about 50 percent higher than the national average, according to provisional reports. County March of Dimes funds were provided for 112 patients stricken in 1954 in addition to 129 who got the disease in previous years.

A deficit of \$10,885.00 in unpaid bills for polio treatment in this county has just been made up with a special grant of \$12,000 from the National Foundation, Joseph A. Chargin jr., chairman of the County Foundation Chapter has revealed.

A check with Santa Clara County Hospital head Dr. Milton J. Chatton reveals that while there has been no acute case in isolation since December 14 there have been as many as 8 acute cases simultaneously this past year. At present there are three iron lung patients in the polio ward, while a fourth patient must spend his nights in the respirator.

Long distance telephone service between New York and London was commenced January 7, 1927.

The City of Campbell is to make an official protest at a hearing Monday evening, January 17, before the San Jose City Council on the proposed annexation by San Jose of Maywood No. 1 tract which would touch the Campbell city limits a distance of 2700 lineal feet, north and west from Dutard Avenue. This

### San Jose Takes Cemetery Away From Los Gatos

In spite of protests from a dozen or so residents from Los Gatos and from two of the directors of the Los Gatos Cemetery Association, the San Jose city council on Monday night by a 5-2 vote took the required steps to annex the 190-acre tract of Glendale No. 1 which embraces the Los Gatos cemetery on the Los Gatos-Almaden Road and extends San Jose boundaries to the San Jose-Los Gatos road near Camden avenue.

E. S. Yocco, secretary of the cemetery association questioned legality of the action contending San Jose could halt burials then after 15 years force the cemetery to move. City Manager A. P. Hamann said the purpose of the cemetery would be respected, a customary reply. He said that this completed common boundaries chosen by Los Gatos.

### City Position On Storm Water Problem Is Told

LeRoy Black, public works director for Campbell, had part of the area at the entrance to the Cherry Lane School paved last week to alleviate some of the drainage problem.

In the meantime, Mayor Richard Morton notified the Campbell Union Grammar School district that the City can do little more to solve this problem until permanent storm drainage facilities are installed.

William C. Henley said Monday the school district asked the city last month for aid in solving the problem resulting from the slope of the street at Cherry Lane and California avenues.

"No solution can be reached," Mayor Morton's letter read, "until the city has storm drainage trunk lines and a storm water collector system."

Morton added such a system would necessitate establishing a public assessment district to be financed by a bond election. The council feels, Morton wrote, the city is not yet ready for this move.

### Will Durant On San Jose Forum Sunday Evening

Dr. Will Durant, widely known philosopher and author is to be heard this Sunday evening as the first of a series of speakers on the Community Forum at the First Methodist Church in San Jose. Durant's topic is, "How Civilization Can Be Saved."

On January 16, the speaker will be Dr. Douglas Kelley, well-known psychiatrist. His topic will be "Psychiatry and Religion, twin Paths to Peace". The program will continue eleven more weeks to include Myron Zobel, former newsreel cameraman showing color movies, Hjordis Kittle Parker, the daughter of the Norwegian diplomat; Col. John Craig on "Atoms and Atolls, an Adventure into Time"; Alfred Wolff, in the "Middle East, Crossroads of Man"; Judge William Saltiel of Chicago on "Criminal and His Ally"; General Carlos Romulo, former Philippine head of the United Nations on "The Asia Few Americans Know"; Dr. Alfred Fiske on "Turkey and Yugoslavia"; John K. Chapel in "The World is Our Community" and Bishop G. Bromley Oxnam, Methodist Bishop who is president of the World Council of Churches.

San Francisco adopted an official seal on November 4, 1852.

### San Jose Takes Cemetery Away From Los Gatos

In spite of protests from a dozen or so residents from Los Gatos and from two of the directors of the Los Gatos Cemetery Association, the San Jose city council on Monday night by a 5-2 vote took the required steps to annex the 190-acre tract of Glendale No. 1 which embraces the Los Gatos cemetery on the Los Gatos-Almaden Road and extends San Jose boundaries to the San Jose-Los Gatos road near Camden avenue.

E. S. Yocco, secretary of the cemetery association questioned legality of the action contending San Jose could halt burials then after 15 years force the cemetery to move. City Manager A. P. Hamann said the purpose of the cemetery would be respected, a customary reply. He said that this completed common boundaries chosen by Los Gatos.

Mayor Richard Morton said he saw no reason why the city should not challenge this infringement on our sphere of influence by showing the deficiency in their procedure. Councilman Gordon Daum said he felt the city should take strong measures short of court action at this time, so Bonacina was instructed to spell out the city's objection in a resolution of protest.

The council introduced for first reading an ordinance seeking control of firearms and use of explosives within the city limits without permission from the Chief of Police. It adopted an ordinance on second reading to zone the Shady Acres subdivision to single family residential, to be effective in thirty days.

LeRoy Black, department of public works superintendent submitted a list of equipment which he will need to operate the department efficiently and was advised to ascertain availability and costs.

### Bernie Dale Is New President Cambrian Club

New officers were installed at the noon luncheon meeting yesterday of the Cambrian Park Kiwanis Club, as Bernie Dale took over the gavel as president, succeeding Carl Cunningham, the club's first president. Joseph Tichnor was installed -vice president and William Sullivan as secretary.

William Henley, Lieut.-Governor of District 12, California-Nevada-Hawaii for Kiwanis International, was the installing officer. A plaque was given retiring President, Carl Cunningham for outstanding organizational work and Rev. Ernest Tremayne was given a past Vice-president pin.

### Campbell Bucs Score Win Over San Jose High

Sparked by the timely shots by Tony Schraub, the Campbell Bucs won 51-43 over the San Jose High School basketball quintet in a practice game in Campbell on Wednesday. It was a see-saw match after Campbell took a 10 point lead. Then Schraub steadied the team play, along with four free throws and a field goal looped by Rahn Sparrer for the Bucs.

Schraub scored eight field goals and three free throws to register 19 points for the home team.

The Campbell B-team also won, 46-37 over the San Jose lightweights, with Dwight Klassen accounting for 18 of the Campbell points.

Campbell JV cagers on Tuesday won 21-20 from Mountain View in a game played there. Don Peterson led in scoring for Campbell.

# EDITORIAL

## THE LIGHT TURNS RED! STOP!

San Jose's rolling sphere of influence seems to be steaming our way as strip annexing goes on here and there. There are fat strips and narrow ones, all sparsely populated. It seems to matter little that there once was an understanding as to the extent of our mutual boundaries. The sphere of influence set up for Campbell by the County Planning Commission is being punctured and deflated in the "Big City's" ruthless, stumbling push.

### This all seems deliberately planned.

It would seem that San Jose is determined to completely surround Campbell with annexations, but we understand that the law will not now permit any such development. It happened that way down in Los Angeles, when Culver City was surrounded, to become a city within a city. A state law, we understand, prohibits a repetition of that action. Neither will the law permit a city to so annex lands to make an island of an unincorporated tract, which is also a mighty good thing.

It would seem that the smaller cities of Santa Clara County might well get together with some thinking on how to combat such disturbing factors. A united effort might help ward off the steam roller. It's puffing mighty close to us right now.

## PRUNES FROM OREGON?

A letter to the editor of a newspaper back in Wisconsin sings the praises of the prune as one of the best of foods for the breakfast table, then ends up with a statement that the supply is mainly from the fertile valleys of Oregon. That does it!

For over sixty years, since the Campbell Press was first founded, this newspaper has proudly acclaimed that Campbell is the home of the prune, as it is in the heart of the rich Santa Clara Valley. Sure, subdivisions and schools have been uprooting prune trees in the last few years and they will continue to do so, but our Cooperative Dehydrator processed well over 15,000 tons of home-grown prunes in 1954, which in the next few months will be served at a good many breakfast tables throughout the land, even to Wisconsin. That happens to be a new record for the world's largest dehydrator, around the corner from the Campbell Press office.

Oregon is a great state for apples, berries, plums and other products of the soil, but Campbell and the Santa Clara Valley still lead the world in its output of the luscious, sunkist prunes.

## THE DEPOT STAYS OPEN

An avalanche of protests reached the California Utilities Commission against the proposed closing of the Southern Pacific depot in Campbell, in view of efforts to bring industry here. The move was dropped and business goes on as usual at the local depot. The move was begun so that operations might be controlled from San Jose.

## BEST ATHLETE

Far be it from us to set ourselves up as sports experts, especially when it comes to choosing the outstanding male athlete of the year. But as rank amateurs in the business of naming champions, we would have selected Dr. Roger Bannister of Britain as the top athlete of 1954 instead of Willie Mays of the New York Giants, who was the first choice of the sports writers. Granted that Willie performed some magnificent feats on the diamond, we still feel that the man who was first to conquer the four-minute mile deserves the accolade. What Willie Mays did, others have done in greater or lesser degree. What Dr. Bannister achieved was to the sports world what the scaling of Mt. Everest was to mountain climbers. Hundreds of the world's very best runners had tried at various times over the decades to reach the magic four-minute mile—runners like the great Paavo Nurmi, Gundar Haegg, Arne Anderson, Glenn Cunningham. Yet all failed. Bannister didn't. But it took him many years of hard work to do it. And what's more, he did it twice—the second time defeating John Landy of Australia, who was his only close competitor. So again we say that, in our opinion, Bannister was tops in '54.

## A CALL FOR WISE JUDGMENT

Every meeting of the California Legislature since the State was admitted to the Union in 1850 has been fraught with importance to its times, but this year's meeting seems especially so.

The torrent of bills being poured into the legislative hopper this month covers a vast range of subjects, many of them of highest importance to the State and its growing millions of citizens.

Take water, for example. The Legislature will decide whether to create a new State Department of Water Resources, push purchase of the Central Valley Project, build the Feather River Project, and try to find a means for bringing water to the rich Santa Clara Valley.

Take oil, for another example. The administration of the State-owned tidlands, the distribution of \$70,000,000 of impounded oil royalties, and oil conservation measures are up for decision.

These are just two of a host of vitally important subjects which call for the wisest legislative judgment. The decisions will test the mettle of the 120 legislators and the Governor, and affect the political future of many of them.

## A Prayer for Peace...

## The Campbell Gambol

THE DEPOT in Campbell may be the subject for a feature story to appear Sunday in a San Francisco newspaper which claims to be the Monarch of the Dailies, if writer and camera man got the facts expected on the assignment.

... seems someone had told them the depot had been moved here before the turn of the century from some historic spot in Santa Cruz County, but we have not been able to verify this after checking with some old timers. . . . Oris Grizzle who came here in 1902 says that the first Southern Pacific depot was known as Moore's station located at the junction of Winchester Road and Casey Road where the Campbell Lumber Company has just set up Northern California's largest single lumber warehouse, the depot later being established at the present site at Railroad Avenue probably as a new building, Campbell then being on the Santa Cruz division of the Southern Pacific Company.

LUMBER was one of the industries here in the early days, the first mill and yard being set up by Charles White and son on the site where the Prune and Apricot Plant No. 2 is now located, one of their projects being the building of a flume of two-by-fours which crossed Campbell Avenue to beyond Hamilton to bring water for thirty farm lands. . . . Kirk Miracle moved in a mill from the Santa Cruz mountains locating at where the Campbell Lumber had its yard on East Campbell Avenue, this yard passing in succession to the Sturdevants, Mortons and the Ahrends.

## HEARING DATE SET FOR FIRE DIST. MANDATE

A hearing has been set for Friday, January 14 of the reply from the Central Fire District, the County of Santa Clara and other respondents to the petition for writ of mandate filed in the Superior Court by the City of Campbell. The hearing was set by Superior Judge M. G. Del Mutolo.

The city seeks to collect apportionment of the Central Fire District assets allegedly due at the time of incorporation as a municipality, June 30, 1952, and taxes collected by the County of Santa Clara between March 28 and June 30, 1952 on city lands.

The writ was drawn by City Attorney Joseph Bonacina and filed with authority granted by the City Council after the County refused to act in the matter.

## BE CAREFUL OF PHONE WORKERS

A word of caution to Goodwill contributors was voiced today by David D. Blair, executive secretary of the organization. He urged them to request proper identification when approached by a collector supposedly from Goodwill Industries.

"Goodwill sends out only uniformed drivers who bear adequate credentials to establish their identity," he said.

It has been reported that unidentified collectors have been picking up contributions of clothing, furniture and household articles meant for Goodwill Industries. Their method of operation is to

present themselves at any home where they see a Goodwill bag on the porch and without identifying themselves, they intimate that they are to pick up the Goodwill contribution. The unsuspecting contributor cheerfully turns over materials that would otherwise have provided employment, training and rehabilitation opportunities for handicapped men and women.

FIRST FRUIT DRYING Plant was set up in 1887 by George Flemming Co. under management of R. D. Shaw, most of the employees being Chinese, the canning industry starting here the same year by J. C. Ainsley on his arrival from England, his ranch being the present site of the Grammar School and the cannery being set up along the railroad tracks at Campbell and Harrison Avenues eventually to become one of the largest of its kind in the state, the fruit from here being shipped to England where Ainsley's brother marketed it. . . . the plant was sold to Hunt Foods and continued operations until a year ago. . . . Campbell Grammar School opened January 21, 1889 with Miss Minnie Gray as teacher and H. S. Foote, E. N. Parr and Charles West as trustees, the site being the east side of Winchester Road between Campbell and Rincon Avenues and purchased from Mrs. Virginia Parr for \$800. . . . the next school house was built in 1892 for \$5082 then the one on Rincon was set up for \$22,000, the original cost of the grammar school building on Campbell Avenue being around \$75,000 according to records of Mrs. Charlotte Sutter, which figures are quite at a variance with what school building costs are today.

## POPULATION OF NEARBY CITIES IS INCREASING

For the period of June 1 through November 30, 1954, the City of Campbell received on the basis of 7,662 population an apportionment of \$2,678.17 from motor vehicle license fees collected by the state.

Other apportionments on population basis were: Gilroy (3254 pop.) \$1,836.48, Los Altos (19215 pop.) \$6,716.39, Los Gatos (4907 pop.) \$1,715.19, Morgan Hill (1857 pop.) \$649.09, Mt. View (12,901 pop.) \$4,509, Palo Alto (33,753 pop.) \$11,797, San Jose (pop 104,029) \$36,362, Santa Clara (14,874 pop.) \$5,199, Sunnyvale (15,573 pop.) \$5443, Alviso (652 pop.) \$228 and Milpitas (834 pop.) \$291.52.

Cities of Santa Clara County were given population increases by the State on basis of special census or annexations. Morgan Hill increased by 230 by virtue of a special census, while annexations gave an increase of 27 at Gilroy, 552 at Los Altos, 1509 at Mountain View, 90 at San Jose, 138 at Santa Clara. In Monterey County, a newly incorporated city of Seaside was credited with 12,915 population.

present themselves at any home where they see a Goodwill bag on the porch and without identifying themselves, they intimate that they are to pick up the Goodwill contribution. The unsuspecting contributor cheerfully turns over materials that would otherwise have provided employment, training and rehabilitation opportunities for handicapped men and women.

## OUR DEMOCRACY—by Mat

### DEDICATED TO THE ART OF HEALING

100 YEARS AGO, FLORENCE NIGHTINGALE LANDED AT SCUTARI TO MINISTER TO THE WOUNDED IN THE CRIMEAN WAR. MILLIONS OF MEN AND THEIR FAMILIES HERE AND THE WORLD OVER HAVE CAUSE TO HONOR HER, BECAUSE SHE DARED TO SET A PRECEDENT BY CARRYING NURSING SERVICE TO THE BATTLEFIELD.

THE SPIRIT OF DEDICATION AND OF SERVICE EXEMPLIFIED BY FLORENCE NIGHTINGALE IS A TRADITION OF NURSING IN PEACE AS IN WAR. IT IS A PROFESSION HIGHLY HONORED IN THE COMMUNITY. HERE IS AN UNUSUAL OPPORTUNITY FOR THOSE WHO SEEK SATISFACTION IN SERVING HUMANITY. THE NATION NEEDS ONE HUNDRED THOUSAND NURSES.

## CHRYSLER SALES ARE UP FOR 1955

Sales of new 1955 Chryslers increased 18 per cent for the second 10 day period of December over the same period a year ago, reports E. M. Braden, general sales manager of Chrysler Division, Chrysler Corporation.

Chrysler dealers delivered 4,217 cars between December 10 and December 20, a gain of 18 per cent over the same period in 1953.

"This increase in deliveries was made despite the fact that public demand for our new cars has kept dealer inventories so low that most have been unable to keep up with orders," Braden said. "We have been working to increase our production rate and as it climbs we will be able to catch up on the order backlog that dealers have accumulated."

The word clove comes from the French "clou", meaning nail.

## SARATOGA MAY TAKE NEW STEP TO BE A CITY

A determined effort to incorporate Saratoga is expected to develop next Monday when the Chamber of Commerce meets there and talks about San Jose's proposed strip annexation down Saratoga Avenue to Quito Road, a hop, skip and a jump toward the heart of Saratoga.

President Charlie Hunter is sending out letters to members to ballot on the issue, and if the vote is favorable then a citizens committee will take legal steps.

## First National Bank Is Growing

The First National Bank of San Jose shows, in its statement of condition dated December 31, 1954, a growth of \$7,539,000 as compared to December 31, 1953.

In discussing the year's growth, Joseph Rogers, President, pointed out that during the year the bank had increased its capital stock by \$250,000 bring the present capital stock to \$1,500,000. This stock was purchased by the present shareholders at par value. Rogers stated that during the year the bank had enjoyed a substantial growth in all departments and that three new offices were established to better serve the residents of Santa Clara Valley. The Los Gatos office was opened April 26th in temporary quarters at 330 North Santa Cruz Avenue and permanent building is now being constructed at 308 North Santa Cruz Avenue which is expected to be ready for occupancy in February, this year. The Palo Alto Office was opened on October 11th at 334 California Avenue. Plans are now being developed for a large building on California Avenue in the vicinity of the present office. On December 20th the bank opened its Mountain View Office at 312 Castro Street. The bank now has seven banking offices and over 230 employees.

During the year three new Directors were elected: Albert W. Beall, N. T. Bradford, Jr., and William F. James.

In Washington, D. C. in advance of the convention of the Newspaper Publishers Association scheduled for New York City.

Walter G. Swanson, vice president and general manager of the San Francisco Convention and Visitors Bureau, announced the forthcoming event this week.

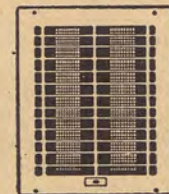

The meeting will be held May 27-30, 1956 and is expected to attract close to a thousand leading newspaper editors from all over the nation.

# ELECTRIC HEAT

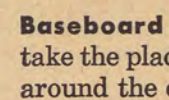

## ...how it can solve any cold room problem

Now, any hard-to-heat room in your home can have new comfort—thanks to today's modern electric heating. You get exactly the degree of warmth you want, quickly and efficiently. And electric heating is inexpensive to install. If you have a room that has never been quite warm enough—or if you've added on a room that isn't connected to your central heating system—here's the way to enjoy all the warmth you want.

## there's an electric heating system designed to fit any need

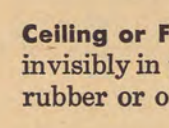

**Unit Heaters.** A wide variety of sizes and designs. They can be built into the wall or floor—also available in portable, plug-in models. Some built-in and portable models also are equipped with fans.

**Baseboard Panels.** Heating panels that take the place of baseboards can be installed around the edges of the room.

**Glass Panel Heating.** The heating element is fused into a large thick panel of tempered glass. Units can be built into the wall or ceiling. Also available in portable models.

**Ceiling or Floor Panels.** Electric cables are imbedded invisibly in the ceiling or floor. Or panels of conductive rubber or other materials are attached to ceilings.

## to get the best results from electric heating...

1. Be sure that your electric heating system is planned and installed by an experienced, qualified electrical contractor or dealer.
2. The room or house must be well insulated, especially in the ceilings.
3. Each room heater should have an individual thermostat so that no heat is wasted.
4. Adequate wiring is essential. Only small heaters in very small rooms can operate efficiently by plugging them into regular (120 volt) outlets. Thus 240-volt wiring is strongly recommended for individual room heaters. If your home needs heavier wiring, the low installation cost can be added to the cost of the heating equipment, and financed on the same easy bank terms.

Properly installed in an insulated home, the cost of electric heat is reasonable. Any experienced, qualified electrical contractor or dealer will be glad to survey your home. Without cost or obligation, he can tell you exactly what it will cost to install a well-

engineered electrical heating system.

Take full advantage of California's low-cost electricity. See your dealer, contractor or P. G. and E., about electric heat for your home, today!

## Creative Art Class Feature At High School

The importance of window displays, interiors and packaging are aids to salesmen, according to Mrs. Dorothy Christiansen of the Campbell High School faculty, display builder for the main showcase at the school and head of the Retail Selling Class.

Mrs. Christiansen reports that members of the junior Retail Selling class enthrall over this creative work. Examples of their work were seen in the recent PTA membership drive and the Christmas display in the showcase between the cafeteria and the boys' gymnasium.

For Christmas the group wanted a spiritual effect rather than the old "Santa coming down the chimney" routine, so they featured the adoration of the new mother in flowing white robes which gave every onlooker a new meaning to the holiday. Administrative classes were shown in the form of trains for the recent PTA membership drive—the locomotive moved farther along the track with every dozen new memberships. The Junior Prom show card is expected to be outstanding.

Mrs. Christiansen's students study the fundamentals of display, balance, center of interest, and color. They select their own themes, usually built around some holiday such as Valentine's Day or a spectacular school activity like graduation. Every student is required to sketch what he considers a suitable layout; then the class group selects the best ones by majority vote. Designer of the winning layout is appointed chairman. His committee lists materials needed.

Main purpose of the course is to show how good displays help sell. From her practical experience Mrs. Christiansen reminds students that sometimes people see window displays and then come into the store to tell the merchant that they have an item which fits in with the scene he has created. When a display is taken out, borrowed items are returned and a record kept of the name and address of donors, just in case the item might be useful in the future.

## Foster Children Status Is Changed

William A. Burkett, director of the State Department of Employment, announced today that effective January 1, 1955, services of step-parents, foster parents, step-children, and foster children will be subject to the California Unemployment Insurance Code. The department previously had held that such services were exempt under the "family relationship" provision of the law.

The new ruling is based on recent decisions of the California Unemployment Insurance Appeals Board and on an opinion by the department's legal counsel, the director said.

The appeals board's decisions upheld appeals of two claimants against the department's efforts to recover benefits previously paid to them. The department sought the refunds when it learned that the claimants had been employed by their stepsons and were, therefore, excluded from unemployment insurance coverage. The board held that the "relationship of 'stepson' is not the same as that of 'son' and to include the former in the exemption would go beyond the plain language of the statute."

"Accordingly," Burkett declared, "beginning January 1, 1955, employers will be required to report and pay taxes on wages paid to their step-parents, foster parents, stepchildren or foster children. No tax will be required, however, when the relationship between the employer and employee is that of parent and legally-adopted child."

## FIRST FIRE OF NEW YEAR FOUGHT

The first fire of the new year in Campbell occurred at 4:05 a. m. Monday morning in the one story stucco home of Rass Neilson at 301 Harrison Street. The fire, apparently caused by a faulty fire-place, was reported by Mrs. Neilson. Sixteen volunteer and three regular firemen answered the call. There is no estimate of the damage as yet.

The honey bee was introduced into the United States from Europe.

Since no written or spoken words can possibly express our deep appreciation of the innumerable kindnesses extended during our hour of great sorrow, may we just say simply, "Thank You," and "May God Bless You," to each and every one.

L. W. Harmon and family.

## CAMPBELL REGISTER

Among the interested spectators at the Rose Bowl Game and the Rose Parade were Mr. and Mrs. Howard Keech with son Jim and daughter Judy of Old Orchard Road, who left Thursday on the Lark for Los Angeles and returned Saturday evening on the same train. Friday they visited the Knott Berry Farm and the Farmers Market where they found almost all of the Ohio team and their party eating lunch. Since they had reserved seats in the grand stand they had a wonderful view of the parade although the "mist" dampened the spectators considerably. They report the drizzle falling at the beginning of the football game turned into a down pour before the game was over, but everyone sat through it anyway and thoroughly enjoyed every exciting minute.

Mr. and Mrs. Ray Pharris Jr. have returned to Campbell to live after Ray having served four years with the U. S. Air Force. During his four year service Ray spent two years in Fairbanks, Alaska, and the last ten months at the Air Base in Antigo, Wisconsin. His parents, Mr. and Mrs. W. L. Cleveland of 71 E. Rincon, left by train the first of December to join the young couple in St. Louis, Missouri, and after visiting relatives in the mid-west, all returned to Campbell by car. All decided there is no place equal to our lovely Santa Clara Valley.

Dick Weitzel with wife Betty Lou and family from Battle Creek, Michigan, will make an extended visit with his parents, Mr. and Mrs. H. A. Weitzel of 448 E. Hamilton Avenue, before returning home in April. With them are two of their three children, Buddy, 4, and Helen Mary, 3, who are enjoying their visit with grandma and grandpa.

G. S. Robson of 580 E. Campbell Avenue, and son Walter, who is an engineering major at Stanford University, spent the Christmas holidays as the guests of his daughter and son-in-law, Mr. and Mrs. George R. Stray of Chino. Another guest was Mr. Stray's sister, Miss Helen Stray of San Jose, who flew down for Christmas. The Robsons arrived the 17th of December and left Chino last Sunday. During their visit in Chino, the Strays with son Philip, G. S. Robson and Walter enjoyed a two day trip to Ensenada.

## W.S.C.S. To Hear Talk On 'Family'

"The Family: Steward of The Christian Life" will be the topic of the day when the Women's Society of Christian Service of the First Methodist Church meets January 13 in the social hall of the church at 10:00 a. m. There will be a guest speaker. Devotions will be given by Mrs. J. M. Dahl and the meeting conducted by Mrs. Evelyn Buck, president.

Circle No. 6 will be in charge of refreshments.

## Lutheran Church Ladies To Meet Wednesday

The Women of Bethany Lutheran Church of San Jose will meet in the chapel for their regular monthly session Wednesday, January 12, at 8 p. m. Speaker of the day is Leonard McConnell of Family Service Association. The subject of his topic will be community resources and family problems. Hostesses for this January meeting are Mesdames Leonard Hoskins, Vincent Carter, and Jack Lindquist, members of the executive board. Devotions will be led by Mrs. Carter.

## Country Women Hear Librarian

"Friends In Literature" was the subject discussed by Edna B. Anthony, senior librarian of the San Jose Public Library, in a talk before the Campbell Country Women's Club on Monday. Theme for the day was "Literature".

Arthur Sutton, senior student at Campbell High School, provided musical entertainment with piano selections.

Chairman for the meeting was Mrs. Edwin B. Parker, who was assisted by Mesdames Edna Smith, R. L. Nelson, Norman LeDeque, Percy Lovejoy and Louella Ryan.

The subject of the day at the next meeting on January 17 will be "Painting". Guest speaker will be H. Milton Snyder, president of the Los Gatos Artists Association. He is also associated with the Southwest Artists of America and a lecturer of note.

The committee for the meeting is Mrs. Lloyd Selig, chairman, assisted by Mesdames Elmer H. Horler, Ernest Baron, Margaret Parr, Tina Taylor, A. W. Johnson and O. L. Tunstall.

## Panel Discussion Slated For Dover

A panel discussion on "Report Cards versus Conferences" will be the main feature on the program of the Dover Home and School Club which will meet next Monday, January 10, at 7:30 p. m. in the multi-purpose room of the school. Moderator will be Peter Zafaris. Panel members will be Mrs. George Ingram, Pete Fransisch, Duane Beaubien and Pat Koster.

Children of Mrs. George Ingram's third grade will provide the entertainment with tumbling acts. Following the program there will be a social hour and refreshments.

A coming attraction which is being sponsored by the Dover Home and School Club on January 22 is a program featuring the "Great Toussaint", master magician, which will be held at the Campbell Grammar School in the auditorium.

## GROUP DEFENDS TEACHER TENURE

LEben Howard of Campbell, president of Local 957, Teachers Federation of Santa Clara County and Charles Womack of San Jose, head of the state retirement committee were official delegates to the state federation meeting last week.

Senator Moss Rushmore who just returned from Washington, D. C., was the main speaker, stressing the need for teacher organization on the classroom level, and the need for federal aid to all states including California with controls vested in local authorities. The conference was on record to maintain tenure law and not to weaken it as advocated by boards, and a realistic retirement system.

In the first heavy weight championship under Marquis of Queensberry rules, Corbett defeated John L. Sullivan on Sept. 7, 1892.

## REPUBLICAN WOMEN TO CONVENE AT SAN JOSE

Mrs. Gladys O'Donnell of Long Beach, president of the California Federation of Republican Women, has announced plans for the organization's 9th biennial convention which will open in San Jose next Monday, at the Sainte Claire Hotel. A large number of women from the 241 clubs in the state are expected. The state membership totals 25,856, with 1,275 eligible delegates. The convention is open to all Federation members.

Governor Goodwin J. Knight is to be the keynote speaker at the luncheon Tuesday at 12:30 p. m. in the hotel. Mrs. Knight will accompany the Governor to San Jose and both will be honored guests at the luncheon.

Carveth Wells, an internationally famous explorer, author, lecturer and world affairs commentator, will speak at the banquet Tuesday at 7:00 p. m., also in the hotel, on "Peace or War in Asia?"

Wells, "English-born and American by choice", was graduated from London University in 1909 and began his long career of adventure and exploitation as an engineer. Registration for the convention will begin Monday at 2:00 p. m. in the Sainte Claire Hotel, where an informal reception will be held that evening from 8:00 to 10:00 p. m. Social activities will feature celebration of the 30th birthday of the organization, and the decorative theme will be "Spain" as a tribute to San Jose's participation in early California history. Business sessions will open Tuesday at

10:00 a. m. in Montgomery Theater, Civic Auditorium, with Mrs. O'Donnell presiding. Officers for the 1955-56 term will be elected. Mrs. Mary Jasper of San Jose, a past president of the State Federation, is general chairman in charge of arrangements. Delegates and alternates to the convention from Campbell Council of Republican Women are Mesdames Hubert Combs, Lowell Bradford, Zeno Hallett, Herbert Shadle, and Miss Hancie Naylor. Mrs. Jean Wood Fuller, women's director, Federal Civil Defense Administration, Battle Creek, Michigan, plans to attend the convention. Mrs. Fuller, formerly of Los Angeles, is the past president of the State Federation. Prominent Republican women from all over the state who will be in attendance include Mrs. Marjorie H. E. Benedict of Berkeley, Republican National Committee-woman from California; Mrs. Gladys A. Leggett Penland of Berkeley, membership extension chairman of the National Federation; Mrs. Sumner McAllister of Lafayette, state vice president Northern Division; Mrs. Paul Ashley of Fresno, state vice president of Central Division; Mrs. R. G. Kenyon of San Marino, president of Southern Division; Miss Ardis Myhrs of Berkeley, president of Northern Division; Mrs. Frank Lambertson of Visalia, president of Central Division; and Miss Jane Zimmerman of San Francisco, vice chairman of the State Republican Central Committee.

## DeMolay Hold Gala Dance

The New Year's Eve dance held at the Moreland School by the Campbell Chapter of DeMolay was a gala affair, according to all who attended. For the occasion the school's multi-purpose room was made to resemble a night club with tables seating two couples each encircling the dance floor, and music provided by a six piece orchestra. Hundreds of balloons and streamers of serpentine which decorated walls, curtains and lighting fixtures were released at midnight to usher in the new year with all the traditional noise.

From Sunnyvale: Mesdames James Craig, Edwina Benner, and G. N. Birkland.

From Mountain View: Mesdames Purdy Campbell, C. E. Netherton, Carl Erbach, Van E. Johnson, George Klingelhoefer, and Roy-lance.

From San Jose: Mesdames M. M. Rinearson, Fred Loewen, Perry Koon, Charlotte Lee Ross, Herbert Fisher, Paul Mulcahy, Gustave Gulmert, G. Conrad Baker, U. A. Sontheimer, Vivian Greiner, Eugene Perez, H. A. Sutherland, Lon Anthony, Mary Hall, C. D. Pond, Cloyd Miller, Thomas Shields, Bert Lenz, Anthony Cribari, Charles F. Lindsay, Harvey White, Grace Stafford.

## Water Color Art Exhibit By Betty Guy At Montalvo

The January show in the Montalvo Art Gallery, Villa Montalvo, Saratoga, will be water colors by Miss Betty Guy, one of the best known practitioners of this art in California. Miss Guy has just returned from an extensive trip to Europe and the pictures to be displayed at Montalvo include themes from many of the countries on that continent.

The Montalvo show is preliminary to a "one-woman" exhibition of her work to be held in New York in the Spring.

Villa Montalvo is open to the public without charge every day except Monday, 1:30 to 4:30 P. M. Miss Guy's exhibition will be open to January 31st.

## Masons To Hold Ladies' Breakfast

Campbell Masonic Sojourners will hold a "Ladies Breakfast" Sunday, January 9th, at 8:30 a. m., in the Campbell Union Grammar School cafeteria.

All Masons and ladies are invited to attend. For reservations call AX 6-2159 or FR 8-4170.

The Department of Motor Vehicles urges motorists to speed renewal of auto registrations for '55 by sending or typing name and address on lines of stub at right of new form, as shown by upper arrow, before visiting nearest renewal office. If address is incorrectly printed under name at left, shown by lower arrow, correct it and print or type corrected address in the box. Then fill in stub with name and correct address. Do not detach stub. Present entire card with fees at renewal office before midnight Feb. 4, to avoid legal penalties. By not following this rule, motorist receives one '55 tab for rear plate, which will be stamped and detached for display in the vehicle.

Notary Public in and for the County of Santa Clara, State of California.  
Pub. Jan. 6, 13, 20, 27, 1955.

So this is HOUSEKEEPING

I set the stage for my fiendish plot with a succulent dinner of rare roast beef and all the trimmings. When Jeff was properly mellow with a cigar and coffee I plunged into Act I.

"You, my all-wise husband, are absolutely right. A home should be run as efficiently as an office. I've been studying the problem and have come up with some startling statistics."

Jeff was either too mellow to care or mission. In any case, he didn't answer so I forged ahead.

"The amazing fact is that the average homemaker washes about 2,500,000 cooking utensils in her lifetime. That's about 70 stacks as high as the Empire State Building. The time consumed in this one household task alone totals about 465 hours each year or the equivalent of 57 eight-hour days."

By now Jeff had recovered somewhat and warily tried a, "So?"

"So," says I, "after careful figuring I have found a way to do the job more efficiently, more hygienically, more thoroughly. If I tell you that by my new method I can cut my dishwashing time in half will you cooperate?"

"Well..."

"The answer is the new Frigid-air dishwasher that gets dishes, pots and pans really clean, and does it in just a matter of minutes!"

"Oh," replied Jeff casually, "you mean the one with the revolutionary new washing principle? It has a unit with a whirling horizontal spray tube turning 500 revolutions a minute, delivering jets of hot water directly to the surfaces of all pieces being washed. The needle sprays have a pressure of four pounds per square inch and the loading arrangement is such that no article can escape this washing action."

Apparently Jeff had done some planning and investigating on his own. And after my superb acting I didn't even get to make the closing speech. Jeff rang down the curtain nicely by saying, "We'll have to decide which color we'd like... white, Stratford yellow or Sherwood green."

The only thing bothering me now is whether or not things would have turned out just as well with hamburgers for dinner!

LEGAL NOTICE

NOTICE OF INTENDED SALE

Notice is hereby given that Helen M. Haas doing business under the name of Sunset Rest Home at 2 South San Jose-Los Gatos Road, Campbell, California, intends to and will sell to Eilene Horman and Leonard P. Horman all the fixtures and equipment of the rest home located at the said address.

Electrically Speaking

FACE TO FACE VIDEO-PHONE, WITHOUT DIALING, IS NOW BEING DEVELOPED IN LABORATORIES BY U.S. ELECTRICAL ENGINEERS!

IN 1908-60 WATT TUNGSTEN BULBS COST \$1.75 ABOUT 10 TIMES WHAT WE PAY TODAY!

42% OF ALL THE ELECTRIC POWER OF THE WORLD IS PRODUCED IN THE U.S.A. ACCORDING TO THE AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS.

"MECHANICAL BRAINS" (ELECTRONIC CALCULATORS) SOLVE IN A FEW SECONDS COMPLICATED PROBLEMS WHICH A DOZEN MATHEMATICIANS TAKE DAYS TO COMPUTE.

EDUCATOR TO SPEAK AT ROSEMARY

Dr. William Rogers, professor of education at San Jose State College, will be the guest speaker for the Rosemary Home and School Club which meets next Tuesday, January 11, at 7:30 p. m. Dr. Rogers' topic will be "Signs of A Good School". Child care will be provided.

Final plans for a Father and Son Banquet, to be held January 27 at the School, were completed at the Tuesday meeting of the executive board. Guest of honor and guest speaker will be Billy Wilson, star player on the 49er's football team. Wilson is a local boy, a graduate of Campbell High School and San Jose State College. He will present a movie and talk on the activities of the 49er's football team. The ham dinner and lecture are open to the public. Ken Morton is chairman of the ways and means committee. Anyone desiring a reservation may call FR 8-7417. Students in the third grade and up will be given tickets for distribution today.

Winter Courses Start Next Week

San Jose State College has 52 off-campus courses to be offered during the Winter quarter, among which will be Public Relations at Moorpark school starting on the evening of January 13; folk dancing at Van Meter school in Los Gatos on the same evening; and accountancy at the Gardner school in San Jose starting on the evening of January 12.

BUCS VS. ALUMNI TOMORROW NIGHT

Campbell Bucs will take on the Campbell alumni tomorrow in the school gymnasium with Ralph Noddin coaching the latter group. On Friday evening, January 14, the Bucs open the SCVAL in a game with Los Gatos high school in the new gymnasium there. Both teams seem evenly matched for this game. In other league games James Lick faces Fremont, Mountain View plays at Washington and Santa Clara draws a bye.

Raymond F. Triplett of Campbell, an estate planning specialist has qualified as a member of the million dollar Round Table of the National Association of Fire Underwriters for 1955. He is a member of the New York Life President's Council.

NOTED ARTIST HAS EXHIBIT AT RIBBLE'S

An unusual art exhibition in retrospect by Oronzo Abbatecola is at Ribble's Stationery Store in the Odd Fellows Building for the month of January. The work is in Futurist and has been acclaimed by art centers in Naples, Genoa, Milan, Rome, Warsaw, Paris and Vienna. In this country it was exhibited in San Francisco and Hollywood. In 1951 and 1954 it was exhibited in San Jose by the Rosticrucian Egyptian Oriental Museum.

Brilliant color combinations are used with vigorous yet simple design to distinguish his work.

California originated 59 per cent of the total U. S. rail shipments of citrus fruits in 1953.

## LEGAL NOTICE

## NOTICE OF ELECTION TO AUTHORIZE INCREASE OF MAXIMUM TAX RATE IN CAMBRIAN SCHOOL DISTRICT OF SANTA CLARA COUNTY, STATE OF CALIFORNIA

NOTICE IS HEREBY GIVEN to the qualified electors of Cambrian School District of Santa Clara County, State of California, that in accordance with law an election will be held on the 10th day of March, 1955, in said Cambrian School District, between the hours of 7:00 o'clock A. M. and 7:00 o'clock P. M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of authorizing the increase of the maximum tax rate for the Cambrian School District of Santa Clara County from the statutory limit of \$.90 for each one hundred dollars of assessed valuation within said school district, exclusive of bond interest and redemption, to the sum of \$1.50 for each one hundred dollars of assessed valuation within said school district, exclusive of bond interest and redemption, for the period beginning July 1, 1955, and continuing indefinitely, or until changed in accordance with law; said increase of the maximum rate of tax to be made for the purpose of securing additional funds for:

All lawful school purposes.  
For the purpose of holding said election, the Cambrian School District shall be and it is hereby established as the special election precinct, and the persons hereinafter named, being competent and qualified electors of said school district, are hereby appointed officers of election as hereinafter designated, to serve in their special election precinct as hereinafter

set forth, and said officers of election shall conduct said election and make returns thereof pursuant to law.

The voting precinct, polling place and election officers duly designated and appointed are as follows:

## SPECIAL ELECTION PRECINCT No. 1

shall include all those portions of County Election Precincts: Campbell 1, 6; Robertsville 2, 3; San Jose 223, 224; Union 1, 5, 7, 9, 10, 11, 12, 19, 23, 24; Walnut 2, 3 and 4, lying within the boundaries of the Cambrian School District of Santa Clara County, California.

POLLING PLACE therein shall be at the Cambrian Elementary School, 481 East Casey Road, Campbell, California.

## OFFICERS OF ELECTION for said special election precinct:

Inspector: Genevieve N. Helm-bold  
Judge: Evelyn M. Nigl  
Judge: Wanda P. Luhring

The said election is to be held in accordance with the provisions of the Education Code of the State of California, governing said elections.

The governing board of the school district shall meet on the seventh day after the election at its regular meeting place, to-wit, the Administration Office of the Cambrian Elementary School, 481 East Casey Road, Campbell, California, at the hour of 8:00 o'clock P. M., and publicly canvass the returns.

IN WITNESS WHEREOF, we have hereunto set our hands this 9th day of December, 1954.

## Advisory Board To Be Set Up At Moreland Meet

Vincent Carter is to be chairman of a meeting scheduled for Tuesday evening, January 25 at the Moreland School when a District Advisory Committee is to be organized in behalf of the district planning and as an aid to the school board. Carter is a member of the school board as well as being instructor of music at the Abraham Lincoln high school.

Mrs. Gussie Baker, school superintendent says the committee will be broken into groups for a study of specific problems.

The regular board meeting is to be held next Tuesday evening.

## Death Claims Patrick Shannon

Funeral services were held Sunday evening at the Darling, Fischer, and Krug Memorial Chapel for Patrick Shannon, 45, of 616 Crockett Avenue, who died Thursday, December 30, in a local hospital following a long illness.

Shannon was a native of New York but had lived in this area for the past twenty-five years. He was a driver for the Yellow Cab Taxi in Campbell for many years after serving with the Air Force in World War II.

He is survived by four sisters; Mrs. Katherine Morales of Campbell, Ann Kenny of Ohio, Margie Keller of Michigan, Josephine Jones of Alaska; and two brothers, Louis and Thomas Shannon of Michigan.

A Requiem Mass was held at St. Lucy's Church by Father Ahern at 9:00 a. m. Monday. Interment was in Golden Gate National Cemetery.

## Catholic Men In Pilgrimage Of Faith On Sunday

Scores of men from Santa Clara County are expected to be among the 10,000 Catholics who will participate in a program of rededication to God and country, Sunday, January 9 at 3 p. m. in Civic Auditorium, San Francisco.

The program will be the first mass demonstration of faith by men of the San Francisco Archdiocese in many years. Two hundred and twenty-two parishes in a thirteen county area are participating under the sponsorship of the Archdiocesan Council of Catholic Men.

Bishop Robert J. Dwyer, of Reno, Nevada, will be the principal speaker. His talk "The Talent that is Death to Deny" will be an appeal for greater participation by the men in a program of spiritual betterment, decent literature and civic consciousness.

Archbishop John J. Mitty will preside at Solemn Benediction. The Blessed Sacrament will be brought from a nearby church for the ceremony which will be performed on a huge altar especially erected on the auditorium stage. It will be preceded by military color guards with Fourth Degree Knights of Columbus acting as a guard of honor.

An estimated 3,500 young men from the University of San Francisco, St. Mary's College, Santa Clara University and several parochial high schools will attend. The Paulist Chorists, the famous choir of Old St. Mary's Church, San Francisco, will perform.

Nearly 100 buses will be used to transport men from outlying parishes, military installations and schools. Members of the Young Men's Institute, Knights of Columbus, the Italian Catholic Federation, St. Vincent de Paul Society and other interparochial groups will participate.

## SERVICE STATION PERMIT FOR YEE

A \$12,000 permit for a new service station at Pamalar avenue and the Los Gatos-San Jose road was issued yesterday for Dick Yee. A permit was also issued for an \$8000 home on Bucknell Road for Taft Realty and to Earl Clark for a \$10,000 home on Central avenue.

## HANCIE NAYLOR IS VISITING ARIZONA

Hancie Naylor of Alice Street writes of warm, sunny weather for Christmas where she spent it at Globe, Arizona, saying she came over the Apache trail which was beautiful but rough by the Roosevelt dam.

## Taxpayer Group Studying Water District Issues

The research department of the Santa Clara County Taxpayers' Association is currently compiling a report on the Water Conservation Districts in Santa Clara County, which it expects to have ready for release to the public by the middle of January, according to E. F. DeVilbiss, association director.

"This report was stimulated by the current problems facing the taxpayer as a result of the inability of the North and South Santa Clara Valley Conservation Districts to get together on the Uvas Dam project," DeVilbiss said.

In attempting to gather information for analysis on the currently proposed projects in the Southern end of the county, the association discovered that complete historical data on the valley's conservation projects had never been compiled into one report. Such a report is needed to properly evaluate new conservation projects from the standpoint of taxpayer costs and benefits.

The report will cover conservation districts and the various costs and projects attributed to them since 1932. Included will be historical data on the individual districts, projects, and financing, as well as current projects. A detailed analysis and evaluation of the conservation program thus far and future district planning, if any, will also be included.

## HOMEMAKER TEST NEXT WEDNESDAY IN HIGH SCHOOLS

California's Homemaker of Tomorrow will be selected from 13,418 girls in 262 of the state's high schools, the official number enrolled in the national search when entries closed this month.

A total of 189,530 young women in 8,090 schools across the land will take part in the program which is open to senior girls in graduating classes of public, private and parochial high schools.

A Homemaker of Tomorrow will be named for each participating school, each state and the nation.

A 50-minute written examination which will test individual aptitude for homemaking will be the basis for naming the winners of the \$75,000 in scholarships, travel opportunities and other educational prizes offered by General Mills, sponsor of this search designed to glorify homemaking as a career. The examination prepared by

## Wildlife Group To Set Seasons At Meet Friday

The California Fish and Game Commission will meet tomorrow in Los Angeles to hear recommendations on seasons and bag limits for 1955.

At the meeting, the Commission will hear the suggestions of sportsmen, landowners, and all other interested parties, as well as the recommendations of the Department of Fish and Game.

Many of the Department recommendations will be based on suggestions made at public meetings held around the state in late November and early December.

Persons who want to be sure their suggestions are brought before the Commission, however, must either submit them to the Commission in writing by January 7 or appear at the meeting in person.

The Commission's tentative determinations will be announced at least two weeks before the final regulatory powers meeting, which will be held in San Francisco February 25. At this time all objectives to the proposed rulings will be heard.

Mica-bearing rocks are found in the Klamath Mountains, the Sierra Nevada and mountain ranges and deserts of Southern California.

A hermit crab grows larger each time it molts and must seek a new and larger shell to accommodate it.

The Emmons and Nisqually Glaciers are the best known of the 26 active ice masses on Mount Rainier in Mount Ranier National Park.

Science Research Associates of Chicago will be given simultaneously in all schools Jan. 12.

A chart which evaluates factors in home and family living has been sent to the schools for use in classroom discussions. A guidebook which analyzes various phases of homemaking will also be distributed.

The girl receiving the highest test score in each school will be entered in state competition where the winner will receive a \$1,500 scholarship and a trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and Philadelphia. Her school will receive a set of the Encyclopedia Britannica.

The state winner who is named the Betty Crocker All-American Homemaker of Tomorrow in Philadelphia April 21 will receive a \$5,000 scholarship. Aiding in making this choice will be a committee of 13 nationally known educators.

## MACKEREL AND SARDINE SCHOOLS ARE ABUNDANT

Enormous schools of mackerel have reappeared in Southern California waters and are now more abundant than ever according to the findings of the California Fish Cannery Association.

The story of the mackerel's return is comparable to the current sardine influx which is the heaviest in years. The presence of these wet fish, as they are known in the industry, belies many unfounded statements that have said overfishing in these waters was responsible for a scarcity in past seasons.

A costly official research program has been financed by the California Fish Cannery Association to determine if the appearance of the sardine and mackerel was entirely due to natural causes.

"This research," Donald P. Loker, president of the California Fish Cannery Association, declares "has definitely proven that ocean disturbances and currents, presence or non-presence of plankton, water temperature changes and degrees of salinity in the water have been completely responsible."

S. F. SHOPPER BUS POPULAR  
SAN FRANCISCO, Jan. 6—Popularity of San Francisco's 5-cent shopper bus service was disclosed in a report to the board of Supervisors showing in the first month of operation, September 1953, it served 29,158 passengers. The line now carries more than 80,000 passengers monthly.

"I'M JUST WILD ABOUT HOW MUCH MONEY WANT ADS HAVE SAVED ME!"

"ALL the girls in my group have learned how easy it is to SAVE with classified ads in this paper!! So many good buys are offered each day, on all kinds of merchandise, that we just don't know where to look first . . . Take my advice, ladies, shop these classified ads and save!"

What do YOU need??? Get it fast with a low-cost classified ad!!

Thrifty women — and men, too—read our classified ads every day for the best reason in the world: YOU SAVE!! Want ads in this paper are a market place for everything you want to buy, sell, or swap and — for expert services. . . . Get the classified shopping habit, now . . .

The CAMPBELL PRESS  
21 Dillon Ave., Campbell  
Franklin 8-0082

It's So EASY to place a  
CAMPBELL PRESS  
CLASSIFIED AD!  
You can use any of these  
3 CONVENIENT WAYS —

### IN PERSON

Visit the office of the Campbell Press, just off Campbell Ave. on Dillon. You'll get fast service from our ad-taker, and you can pay for your ad while you are there, making another trip unnecessary.

### BY PHONE

Just call FRanklin 8-0082 and ask for the classified ad department. The ad-taker will take your copy and read it back to eliminate chances of error. She will tell you the cost when you place the ad, and you will be billed by mail.

### BY MAIL

Just write out your ad copy and mail it to the Campbell Press office. Indicate when you want it to start and how many times it should run. If you have some special layout or type you wish, please indicate your desires. You'll be billed for your ad by mail.

### RATES

1.00, first insertion — 1.60, two insertions  
2.00, three insertions — 2.50 per month.

DEADLINES — For Thursday's Campbell Press, classified ad copy must be in by Tuesday, 5:00 p.m.

All ads placed in the Campbell Press also appear in the Campbell Shopping Guide, circulation 6,000

Classified ads are your most effective and inexpensive market place in Campbell to buy, sell or exchange things.

READ THEM FOR PROFIT — USE THEM FOR RESULTS

# She Hears Through Her Spectacles!

The lady in the picture above, pleasantly engaged in dinner conversation, actually hears through her spectacles! This latest single-unit hearing aid that needs no cord to operate and looks like an ordinary pair of horn-rimmed eye-glasses has just been introduced in New York.

Called "listeners" the new hearing aid is the first of its kind to be made available to the more than seven million hard-of-hearing Americans who need to wear a hearing aid but won't, mainly because of false pride and vanity, according to Leland E. Rosemond, president of Oticon Inc., Dobbs Ferry, New York, the makers.

All of the parts found in a conventional type hearing aid—about 200—are assembled in standard width and weight eyeglass frames. All wiring is invisible. A thin,

colorless and flexible tube, about one inch long, leads from the bow directly to the ear and conducts sound. The microphone, normally positioned on the chest, is contained in the frame directly behind the ear.

"Now, for the first time in the 50-year old history of the hearing aid industry," Rosemond said, "we have taken the 'mechanical ear' off the chest and put it back where it belongs—on the head." Bothersome clothing noises, so common with hearing aids worn on the chest, are completely eliminated.

The new "listeners" are powered by a tiny battery about the size of a dime which lasts about 180 hours and costs about 40 cents. They will be available in several different jewel and color combinations.

Macaroni, spaghetti and noodles could well be called the "food budget balancers" for homemakers who are trying to get the budget back within bounds after the holiday spending spree. These foods are nourishing as well as economical and, because of their bland flavor, there are many ways to serve them.

Alphabet noodles in chicken soup, elbow macaroni in tomato soup, and seashell macaroni in vegetable soup add variety and interest along with "staying power." Casserole and top-of-the-range main dishes offer excellent opportunities to make a small amount of meat go twice as far. Macaroni combined with seafood, vegetables or meat is popular for hearty salads. Even in the realm of desserts, these foods star. A dessert your family will enjoy is made with cooked noodles folded into a smooth egg custard and topped with pineapple wedges or other fruit.

When cooking macaroni foods it is better to undercook slightly rather than overcook so that they retain a fairly firm texture. To cook, drop into a large kettle of rapidly boiling salted water and cook uncovered on high heat. The time varies with the size and shape, but, in general, spaghetti and macaroni will be tender in ten to twelve minutes, noodles in four to six minutes. If these foods are to be added to casserole dishes, shorten the pre-cooking time.

One cup of uncooked macaroni makes two cups cooked and will serve four. It is time-saving to cook double the amount you need for one dish and store the remainder in the refrigerator for salad. Before using, run cold water through the macaroni to separate and freshen. Drain well before mixing with other ingredients.

## SALMON SPAGHETTI SPECIAL

- 1 cup elbow spaghetti
- 3 tablespoons butter
- 3 tablespoons enriched flour
- 3/4 teaspoon salt
- 1/2 teaspoon pepper
- 1 1/2 cups milk
- 1 egg, beaten
- 1 cup flaked salmon
- 1 1/2 cups cooked peas

Cook spaghetti in boiling salted water until tender. Drain and rinse. While spaghetti is cooking, melt butter in top of double boiler. Stir in flour, salt and pepper. Gradually add milk, stirring constantly until thickened. Add egg and cook 2 minutes longer, stirring constantly. Fold in spaghetti, salmon and peas. Pour into greased 1 1/2 quart casserole. Bake in oven pre-heated to 350° F. about 15 minutes. Serve hot with Creamy Mustard Sauce. Serves four.

## CREAMY MUSTARD SAUCE

- 1 1/2 teaspoons flour
- 1 tablespoon sugar
- 1 1/2 teaspoons dry mustard
- 1/4 teaspoon salt
- 1/2 cup milk
- 1 egg, beaten
- 2 tablespoons vinegar

Combine dry ingredients in top of double boiler. Gradually add milk, stirring constantly until thickened. Add egg and cook two minutes. Add vinegar and serve hot over Salmon Spaghetti Special. Makes two-thirds cup.

## Ethan Lanphear New President Kiwanis Club

Ethan Lanphear was installed as president of the Campbell Kiwanis Club in ceremonies Tuesday noon here presided over by William Henley of Campbell, Lieutenant Governor, Division 12, Kiwanis International.

Also installed were J. Norman Corvello, vice-president; Henry Jewell, past president; Guy Farley, secretary; Arthur B. Mayo, treasurer. Directors installed were L. Merle Dodd, Carl B. Field, Joseph Gomes, Rex Jeffers, Oliver Jensen, Lawrence E. Means and Clarence E. Nelson.

A plaque honoring Henry Jewell for an outstanding administration as president in 1954 was presented him. The club, founded in 1926 has a membership of 57.

President Lanphear appointed the following committees for the year, the first named being chairman:

## Stork Delivers Six Holiday Babies Here

A substantial number of new citizens of Campbell made their entrance into the world either on or very close to the holidays.

Mr. and Mrs. Herman Y. Rice Jr. of 12 Garrison Drive are the proud and happy parents of a Christmas baby boy whom they have named Herman Y. Rice III. Little Herman arrived at 10:40 a. m. December 25 at O'Connor Hospital weighing 9 pounds and 3 ounces. He has his mother's deep dimples and a shock of dark hair. His big brother Michael, 4, finds it hard to believe the new baby is his own and that they will be allowed to keep him.

Mr. and Mrs. John Stockbridge of 280 N. Central are welcoming a New Year's baby boy whom they have named Donnie Bruce. Donnie arrived at 9:16 a. m., January 1, at O'Connor Hospital weighing 9 pounds 10 ounces and is the first child of the Stockbridges. Mrs. Pearl Stockbridge, paternal grandmother of the new baby, is waiting impatiently for him to come home so that she can hold him.

Mr. and Mrs. Hiram Miller of 26 Christopher Avenue are happy over a new addition to their family, a little boy, Kevin Michael who was born December 23 at O'Connor Hospital. The new baby has one brother and two sisters, Steven, 5, Shirley Ann, 3, and Lanny, 10, who mother says is a big help in the care of the baby.

Mr. and Mrs. Charles Rogers of 360 Casey Road have also added a new member to their family, a boy, named Craig Alan, who was born December 23 at O'Connor Hospital. An older brother, Dennis Keith, 2, thinks the new baby is wonderful.

Mr. and Mrs. Robert Dickinson of 51 Christopher Avenue are very proud and happy over their new baby girl, their first, for whom they have waited eight years. They have named their bundle of joy Taryn Jae. She was born December 23 in O'Connor Hospital.

Mr. and Mrs. Salvatore Tripoli of 339 Sunberry Drive are rejoicing over the arrival of Stephen Ray, who was born December 29 at San Jose Hospital weighing 8 pounds and 4 ounces. The new grandmother, Mrs. Joseph Cisi, is holding the fort at home until the new baby and his mother return. She is more than satisfied with her new grandson.

## Stanford Prof On Union School Program Tonight

Dr. Arthur P. Coladarci, head of Stanford's department of educational psychology, will speak to the parents of Union District Home and School club at 8 o'clock at Union school.

"A Look Under The Skin" is the title of his talk which will explore children's individual differences and attempts at discovering children's aptitudes and special abilities.

Born in Connecticut in 1917, Dr. Coladarci has made an impressive name for himself in these thirty-seven years. He received his BA at Connecticut Teachers' College in 1940, has done graduate study at New York University and John Hopkins University in 1940-42; received his MA from Yale U. in 1947, his PHD from Yale in 1950, majoring in educational psychology. Entering as a private in the Army in 1942, he received reserve status as a captain in 1946, was company commander in the parachute division of the infantry, intelligence officer and operations officer. He has written many articles in the field of educational psychology and resides now in Menlo Park.

Commercial transmission of pictures by wire began April 4, 1925.

## CHRISTIAN SCIENCE

How purification of thought brings freedom from fear, sickness, and sin will be brought out at Christian Science services Sunday.

Keynoting the Lesson-Sermon entitled "Sacrament" is the Golden Text from John (4:23): "The hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth."

From "Science and Health with Key to the Scriptures," by Mary Baker Eddy, the following passage will be read (242:1-3, 6): "Through repentance, spiritual baptism, and regeneration, mortals put off their material beliefs and false individuality. . . . Denial of the claims of matter is a great step towards the joys of Spirit, towards human freedom and the final triumph over the body."

Scriptural selections include this Beatitude from the Sermon on the Mount (Matthew 5:8): "Blessed are the pure in heart: for they shall see God."

San Francisco's eleven hills range in height from 108 to 925

## MELVIN HAWLEY IS NEW SHERIFF

Melvin Hawley was sworn in as sheriff of Santa Clara County on Monday, then named Lt. John Perusina as his executive officer to serve until Sheriff Hawley appoints an administrative assistant. Perusina has been officer-in-charge at the jail farm for the past three months.

Hawley succeeded Howard Hornbuckle as sheriff by virtue of the election in November. Hornbuckle was eliminated in the primary election in April.
